

Description

Interior Designer or Interior Architect

Group 4 Architecture, Research + Planning, Inc. seeks a full-time Interior Designer or Architect to join our dynamic team. We work with clients and communities nationwide on high profile, high impact community projects. Our diverse portfolio of vibrant facilities that reflect and celebrate their communities is a direct result of our collaborative, team-oriented design approach with clients, consultants, users, and community members.

Group 4 offers the opportunity to work closely with principals and senior staff who are dedicated to mentoring and employee development. Staff at all levels are an integral part of our project teams, regularly participating in client meetings, consultant team charrettes, and community engagement activities.

An equal opportunity employer, Group 4 supports employees with professional development opportunities and an excellent benefits package. We offer a competitive compensation package including 401(k) contributions, health and dental coverage, paid vacation and sick leave, and public transportation benefits. Our office in downtown South San Francisco is easily accessible from Caltrain, BART, 101, and 280. For more information on Group 4, please visit our website: <http://www.g4arch.com>

Qualifications

Successful candidates will demonstrate:

- A degree from an accredited architecture or interior design program
- At least three years of experience in a similar role in an interior design or architectural firm
- Ability to generate, develop and critically evaluate interior design concepts throughout all phases of the design process
- Experience developing and producing FF&E schemes, budgets, and specifications
- Proficiency with Revit, AutoCAD, and Adobe Creative Suite
- Ability to develop clear and compelling graphics to communicate design concepts, including through hand-sketching as well as 2D and 3D rendering programs
- Strong oral, written, and graphic communication skills
- Ability to present concepts and information directly to, and engage with, clients, constituent groups, and subconsultants
- Ability to attend to details within the context of overall client and project goals
- Collaborative outlook and the ability to work effectively within a team environment
- Ability to work on several projects simultaneously.

Application Materials

To apply, please email your materials as a single PDF file (maximum 5MB) with the subject line "Interior Designer" to hr@g4arch.com. Please provide a cover letter indicating your specific interest in this position, a current resume, and samples of your relevant project experience (if you were part of a team, please note your role and responsibilities). Please no hard copies, weblinks, drop-ins, phone calls, or recruiter inquiries.

Thank you very much for your interest in Group 4! We look forward to reviewing your application.
